

## Brilliant Banners by Year 7 Artists!

25 Year 7 students worked like professionals today in a special masterclass run by the Art department to create a series of Banners and Costumes for the Abbey 1000 Schools Heritage Project.

The students made their own collograph print designs inspired by medieval tiles and heraldry, as well as creating monoprint maps of where they live to form the basis of costumes and banner designs for the Parade and Picnic in Abbey Gardens on Wednesday 29th June.

The students were so imaginative and productive all day in a hot art room and we are really looking forward to seeing all the designs sewn together in the next few weeks.

Well done for all that hard work year 7!

Ms Chacksfield

## Library News

Big welcome back to our students after a nice break!

The LRC is still closed, but that does not mean that the shelves have been idle!

New books are being stocked and inventory is being taken. The LRC will have a new "grab and go" fiction area where students can grab a book based on what genre they enjoy!

The book return box has been placed outside of the LRC area, which will allow students to return the books they have read.

Big Thanks to all who have been helping with the circulation of books!

Mr. Walker

## Important Data Collection Sheets

Data Collection Sheets (which hold telephone numbers, emails, etc) for each student will be coming home this term. Please make any amendments and return via your child to their tutor or the main office.

## Congratulations

Congratulations to Isaac Spiller, year 8, on achieving his black belt in Kuk Sool Won.

## Locker Keys

We would be grateful if Y11 and Y13 leavers could please return their locker key to reception by 24<sup>th</sup> June with a note of your name and locker number.

## Mini Bus Service

We will shortly be reviewing our minibus provision for the next academic year 2022/23. We review our bus service route and pricing on an annual basis to ensure that the service is both sustainable for the school, while also serving the children in our school with the longest and most difficult journeys. If you live in the Sudbury / Clare / Long Melford area and you would be interested in using our bus service next year, please register your interest by completing the form in this link no later than Friday 17 June.

# Year 8 History Work: French Revolution

In History, Year 8 are studying the French Revolution and have been researching what life was like for the Third Estate during the ancient regime. The students enjoyed finding out about the calling of the Estates General in 1788 and imagining that they were ordinary people who had been asked to draw up lists of grievances and hopes for the future (cahiers de doléances). The work that they produced was beautifully presented and showed excellent knowledge and understanding. Some of them even wrote their letters in French!
