

## Beyond the Curriculum Seminar

Last Thursday all of Year 8 spent some dedicated time together looking at the importance of building community and creating friendships. Combining themes covered within PSHE & Citizenship, Chaplaincy and highlighted by their Head of Year, Mrs Hyden, students spent time considering their own friendships and how they see others in the world. They were guided to think about how they could help more people to become their acquaintances rather than strangers and how they can remove the barriers which might stop them from reaching out and showing kindness to others. The students engaged well with the talk and then enjoyed the workshop which followed where they had the opportunity to learn more about others in their year group.

Mrs Cobbold

### Locker Keys

We would be grateful if Y11 and Y13 leavers could please return their locker key to reception by 24<sup>th</sup> June with a note of your name and locker number.

### Mini Bus Service

We will shortly be reviewing our minibus provision for the next academic year 2022/23. We review our bus service route and pricing on an annual basis to ensure that the service is both sustainable for the school, while also serving the children in our school with the longest and most difficult journeys. If you live in the Sudbury / Clare / Long Melford area and you would be interested in using our bus service next year, please register your interest by completing the form in this link no later than Friday 20 June. We have extended the deadline as some of you may not have received the newsletter.

Hello everyone!

## Library News

We are excited to announce that our reading week, "Reading Around the World" will take place the week of July 11-15<sup>th</sup>!

There will be a book sale in the LRC, and there will be lunch time events as well. The sixth formers will be helping with a singer/songwriter competition, which will involve some musicians playing music and discussing their song writing process. This is an excellent opportunity for staff and students to bring a guitar (or instrument) and play!

Additionally, there will be a creative writing contest, and a special presentation on Ukrainian literature!

Anyone interested in participating in the song writing contest or the creative writing contest can email or speak to Mr. Walker.

More updates to follow, so stay tuned!

Mr Walker

## Sporting News

Well done to all of those that took part in the Year 10 Super 8s competition on Monday 13<sup>th</sup>! The boys team came 5<sup>th</sup> overall, and the girls team came first place!

## Obstacle Course

This week the Year 10 leaders took part in an obstacle course competition at The Playground, Barrow. (<https://www.theplaygrounduk.com/>) After some tough challenges and competitive events against other schools, St Benedict's finished 2<sup>nd</sup> overall!! Well done to all the students involved.
