

World Youth Day

Kirsten, Clotilde, Luc, Adam, and Oscar are doing a sponsored walk to raise money towards their trip to Portugal for World Youth Day.

Their plan is to walk from St Edmunds Church to Claire Priory, staying the night at the Priory before walking back the next day - a 40 mile trip in all. This will take place on the 10-11th December.

Any donations to support them would be tremendously appreciated. You can either donate to them in person, or by using the link to their Just Giving

Year 12

Reverse Advent Calendar

Every year our school community takes part in a very important campaign which collects food for Gatehouse, our local foodbank. In previous years it has been hugely successful, each year setting a new benchmark for how much we can offer as a community!

Well, it's that time again - we're just about to begin Advent together. During advent instead of having a normal Advent Calendar we have a Reverse Advent Calendar. The idea the 'Reverse Advent Calendar' is simple: instead of receiving something each day, you give something.

Please don't feel that you must take part every day, but perhaps you can choose how much would be appropriate for your family.

For the sake of simplicity, I've written the list out here if you want to refer to it while shopping.

If people bring food that isn't on the list or that is not the 'right one' for the day, then these offerings will still be gratefully received.

With every blessing, Matt Spiller
