17th July 2023

Dear Parents and Carers of Year 11 and 13 students,

Invitation to GCE and GCSE Results Days – Summer 2023

Now that the public exam season has come to an end, we hope that you and our students are enjoying a well-earned summer break. We are writing this letter to you to inform you about the arrangements for results days for GCSE and A Level.

Students will be able to come into school to collect their results as follows:

Year 13 GCE A Level Results: Thursday 17th August between 0900 and 1100
Year 11 GCSE Results: Thursday 24th August between 0900 and 1100

Results will be available for collection from the school at the above times. Please come in via the outside car park entrance to either the school hall or the school field depending on the weather on the day. We will clearly sign-post the exact location on the day. Teachers and staff will be available on both days to offer advice and guidance on the results, whether this is about the next move to university (for the Year 13s), or to sixth form or college (for Year 11s).

We really hope that students will be able to come in and collect their results. For any students who are unable to be there in person, we will aim to publish results on the ARBOR student platform from 0930 for A level and at 1200 for GCSE.

Staff will be available to discuss options for students who are in any way disappointed with their exam results. A range of post-results and appeals processes are available, and staff will be present to talk through some of these options. An information sheet relating to these post-results services is attached with this letter and can be found on the school website.

If you have any queries about either our results days or post results services then please contact our examinations office Caroline Edwards via email at: CEdwards@st-benedicts.suffolk.sch.uk.

Yours sincerely,

J D'Mello (Assistant Head Teacher)
