

MFL French Department Curriculum Guide

Year 9

Curriculum

Autumn	Spring	Summer
<ul style="list-style-type: none"> Holidays Francophonie and local area Revision/ learning of major tenses- past perfect, future proche 	<ul style="list-style-type: none"> Jobs and future plans Social life Future tenses adjectives 	<ul style="list-style-type: none"> Healthy lifestyle French Culture- music, art, poetry etc.

Assessment & Homework

Assessment Point 1 will take place in the second half term in November. This will be a short dictation and a writing paper on the topic of holidays.

The Year 9 exam (AP2) will take place at the same time as for other subjects, in the summer term. The exam will consist of the skills and topics needed for GCSE and will be actual Foundation past paper questions on topics we have covered.

Homework is given regularly and is generally finishing written work started in class, learning/revising a grammar point, learning vocabulary etc.

Resources

BBC Bitesize is valuable for revision of topics and grammar. There is a Key Stage 3 version. It is also a good idea to have a revision guide for AQA Key Stage 3 French or a GCSE revision guide.

Extra and Super Curricular Opportunities

There is KS3 French club.

We are hoping to take part in the Anthea Bell Translation Competition in 2024.
