## RE Department Curriculum Guide

#### Assessment & Homework

Each of the topics will have an end of unit assessment-this will take the form of an extended essay where students will have two weeks notice and a choice of questions. They will be able to bring 1 sheet of notes into the assessment.

Homework is set at regular intervals with a frequency of no more than one piece every two weeks.

#### Resources

*Students should have access to a Bible and a Youcat. These books will support the learning of students and will allow for study at home. Both of these documents can be found in bookshops and are available online. We would also recommend keeping up with current affairs such as the news-this will deepen understanding such as the importance of the Holy Land.*

#### Extra and Super Curricular Opportunities

Students are welcome to come to the Judaism club that meets on a Tuesday.
