#### Assessment & Homework

Assessment Point 1 will take place in the second half term in November. This will be a reading and writing paper on the topic of school.

*The Year 10 exam ( AP2) will take place at the same time as for other subjects, in the summer term for two weeks. The exam will consist of the skills and topics needed for GCSE and will be actual past paper questions on topics we have covered.*

*A speaking exam will take place in July and will be a shortened version of the final speaking exam.*

*Homework is given regularly and is generally finishing written work started in class, learning/revising a grammar point, learning vocabulary etc.*

#### Resources

*BBC Bitesize is valuable for revision of topics and grammar as is GCSE Pod.*

*It is also a good idea to have a revision guide for AQA GCSE French.*

#### Extra and Super Curricular Opportunities

*We are hoping to take part in the Anthea Bell Translation Competition in 2024.*
