Assessment & Homework

There are end of unit assessments at the end of each module. The assessments also revisit previous units from earlier in the year in order to ensure that work is not forgotten. The assessments are marked in line with GCSE AQA exam guidance.

Homework is set on weekly basis and can involve revision, completion of past papers or research into a given topic.

Resources

AQA revision guides- revision guides produced by the school.
It would also be good to use the Youcat, Catechism and Bible
