**FREEDOM OF INFORMATION ACT
PUBLICATION SCHEME**

Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information (FOI) Act 2000 is that public authorities, including all maintained schools and multi academy Trusts, should be clear and proactive about the information they will make public.

To do this the Our Lady of Walsingham Catholic Multi Academy Trust (the Trust) produces a publication scheme, setting out:

- The classes of information which the Trust publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in the publication scheme is either available on each Academy's website to download and print off, or available in paper form.

Some information which the Trust hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for Academies approved by the Information Commissioner and aligns with our Freedom of Information Policy.

Categories of information published

The publication scheme is a guide to information which is currently published (or have recently published) or which will be published in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that the Trust undertake to make available are organised into four broad topic areas:

- *Academy Prospectus for each Academy in the Trust* – information published in the Academy prospectus.
- *Information relating to the Directors and Local Governing Bodies (LGBs)* – the establishment and constitution of the Directors Body and other Local Governing Body documents.
- *Pupils & Curriculum* – information about policies that relate to pupils and the Academy curriculum.
- *Academy Policies and other information related to the Academy* - information about policies that relate to each Academy in general.
