ST BENEDICT'S CATHOLIC SCHOOL

ADMISSION POLICY 2027/28

St Benedict's Catholic School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its academy company as part of the Catholic Church in accordance with its trust deed and articles of association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The academy company is the admissions authority and has responsibility for admissions to this school. The local authority (LA) undertakes the co-ordination of admission arrangements during the normal admission round¹ except for admission to year 12. The admissions authority has set its published admission number (PAN) at 165 pupils to year 7 and 10 for external applicants to year 12 in the school year which begins in September, 2027.

The admissions authority will, where logistically possible, admit twins and all siblings from multiple births in admissions to year 7, where one of the children is the last child ranked within the school's PAN.

Admission to the Sixth-Form

Applications to the sixth-form must be made directly to the school by contacting Head of Sixth Form, St Benedict's School. These applications must be made by **31st January 2027**. The school operates a sixth form for a total of 200 pupils. 100 places overall will be available in year 12. While the published admission number is 100, if fewer than 90 of the school's existing pupils transfer into year 12, additional external pupils will be admitted until year 12 meets its capacity of 100.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. These are ***that pupils will have achieved at least 5 9-4 GCSEs***.

In addition to the sixth form's minimum academic entry requirements, pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements, they will be

¹ This is for admission to the school at the start of the school year in September and not for applications made in-year.

given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. Course requirements are published annually in the school's prospectus and on its website.

When year 12 is undersubscribed all applicants meeting the minimum academic entry requirements and course requirements will be admitted or permitted to progress.

When there are more external applicants that satisfy any academic entry requirements, priority will be given in accordance with the oversubscription criteria set out below.

Students will not be admitted into Y13 even if there are fewer than 100 pupils in the year group.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Baptised Catholic looked after and previously looked after children. (see notes 2&3)
2. Baptised Catholic children. (see note 3)
3. Other looked after and previously looked after children. (see note 2)
4. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
5. Children who have a parent or guardian permanently employed at St Benedict's and the member of staff has either been employed at the school for two or more years at the time at which the application for admission to the school is made or was recruited to fill a vacant post for which there was a demonstrable skill shortage (see note 9)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Siblings of students already attending St Benedict's Catholic School whose applications do not fall into one of the categories above.
9. Children who are in feeder schools, for whom St Benedict's is the nearest Catholic school and whose applications do not fall into one of the categories above (see note 10)
10. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment (*excluding the sixth-form or a specialist unit*) will increase the priority of an application within categories 1-7 so that the application will be placed at the top of the category in which the application is made (see note 8). Priority will be given within each category to children living closest to the school. Distances are measured on a straight line “crow fly” basis, using Ordnance Survey data. In the event of distances being the same for two or more children in the same category where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. Under random allocation, all the names will be entered into a ‘hat’ and the required number of names will be drawn out.
- (ii) After children in (i) above, priority will be given within each category to children living closest to the school. Distances are measured on a straight line “crow fly” basis, using Ordnance Survey data. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. Under random allocation, all the names will be entered into a ‘hat’ and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you **must** complete a Common Application Form (*excluding admission to year 12*) available from the local authority in which you live, in the format they require. You must also complete the Supplementary Information Form which is available from the school website <https://www.st-benedicts.suffolk.sch.uk/admissions> or the school office, if you are applying under oversubscription criteria 1 to 7. The Supplementary Information Form should be returned to **Admissions by 31st October 2026**.

You will be advised of the outcome of your application for a place in year 7 and Year 12 on 1st March 2027 or the next working day by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 7 and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31st October 2026 for year 7 applications, and 31st January 2027 for year 12 applications.

² This is for admission to the school at the start of the school year in September and not for applications made in-year.

Late Applications

Late applications, except those deemed by the LA as exceptional and to be processed on time, will be considered but will be given a lower priority than **all** preferences received by the closing date. This is because all applications received by the closing date must be considered before any late applications. If there are exceptional circumstances why your application is late please include them when you send in your application.

Admission of Children Outside their Normal Age Group

It is expected that children will normally be educated within their normal age group (chronological year group). However, we will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned in line with the School Admissions Code.

You can make a request to the school in writing. This will need to include, where relevant, any supporting information about why the child should be admitted out of their normal age group.

When considering the request this will include, but is not limited to, taking account of the parent's views; information about the child's academic, social, and emotional development; whether the child has previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Any evidence in respect of these or any other reasons can be submitted. Where relevant, consideration can be given to the child's medical history and any evidence from a medical professional involved with the child's care or treatment such as:

- a speech and language therapist
- an occupational therapist
- a social worker
- a paediatrician
- the child's nursery, childminder or current school.

We will make a decision on the request, taking into account the views of the headteacher.

Parents and carers are not expected to get evidence that they do not already have.

We will write to you with the outcome including the reasons for the decision. If the request is refused, you will be given the details of how to complain to the school.

A CAF1 application form must be sent to Suffolk County Council along with the decision letter from the school and other relevant evidence by the national closing date. Even if the request is agreed there is no guarantee there will be a place available.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription

Catholic School**

the **DIOCESE of
EAST ANGLIA**

criteria set out above and ***not*** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion on the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school through <https://www.st-benedicts.suffolk.sch.uk/admissions> or by contacting **Admissions, at St Benedict's Catholic School.**

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in the locally agreed protocol. Accordingly, outside the normal admission round the admissions authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admissions authority has this power even where admitting the child would mean exceeding the published admission number.

The admissions authority reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the

admissions authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'Brother or sister' includes:

**St Benedict's
Catholic School**

the **DIOCESE of
EAST ANGLIA**

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. For the purposes of this policy, named schools are:- **St Edmunds RC Primary, Bury St Edmunds, St Felix RC Primary, Haverhill, St Joseph's RC Primary, Sudbury, St Louis RC Primary, Newmarket.**
11. A child's "home address" refers to the address where the child usually lives with a parent or carer, and where they sleep overnight. This must be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week. If you use another address to give the impression that your child lives at a different address to their home address, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; this will be considered a fraudulent application. If we are aware of a parental dispute affecting the application, the admissions authority may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.
