Catholic School

The Catholic Secondary School for West Suffolk

# SIXTH FORM 2018

## What are you looking for in a Sixth Form?

### Results

Our Sixth Form students achieved 85% A-C grades and 100% Pass rate at A level in 2018, **the highest achieved by any school in West Suffolk**. We know what helps students gain the highest grades and how to give our students the edge in their exams. To us it is essential that all students achieve their potential and, whilst a large number of our students aim for and achieve the very highest grades, we retain a comprehensive intake and ensure all students have genuine opportunities for progression and achievement.

**Top performing Sixth Form  
in West Suffolk 2018**

*85% A\*-C, 100% Pass rate*

### Experience

**Our team has decades of experience supporting post 16 students** both in their studies and in taking their next steps. Our experienced and knowledgeable staff can provide you support and guidance to help you achieve the very best.

### Community

Despite our academic ambitions for our students, **our primary concern in all things is for the well-being of young people**. Excellent Post 16 results come as a result of positive learning experiences and students being given the opportunity to grow and develop academically, morally and personally in the Sixth Form. Our students are given opportunities to reflect on all aspects of their time in the Sixth Form, to work with the lower school and to be part of the whole school community. We see academic

achievement as a by-product of personal and spiritual growth, intellectual challenge and excellent educational experience.

*"The Sixth Form is outstanding. Most students make exceptional progress. Pupil retention rates from years 12 to 13 are very high and A-level results are consistently high."*

**Ofsted, 2016**

### High Aspiration

We believe in young people and the positive impact that they have on our society. **We want our students to go on to bright futures and to see in themselves the potential for greatness**. We support our students in achieving the very best, whether this is Medicine, Dentistry, Oxbridge or any other ambition. We have built our reputation on helping students achieve these aims and Ofsted noted in 2014 that 'The school is one of the top state schools in the country for progression to Oxford and Cambridge'. In recent years all of our Year 13 students have gone on to Higher Education.

### An Extraordinary Aim

**We are not just another 'ordinary' Sixth Form provider**. We are a Sixth Form with an established track record of high achievement for all, borne out of the desire to develop and support extraordinary young people who will go on to make a difference.
