JUNE 2017

Art Equipment 2017-2018

Dear Parents, Carers,

All year 10 art students need to be fully equipped to work effectively in their Art Classes.

The school produces an art pack for those opting to take Art as an option next year which can be directly purchased from the department to save cost of purchasing materials in shops. The school do not make a profit and students are strongly advised to order their pack by Friday 14th July 2017 so that they can be prepared to give to students in their first lessons in September.

I have enclosed our price list for equipment/materials that your son/daughter can purchase from the department with this letter. Payment by Parentpay please as cash and cheques will not be accepted. I would advise as a minimum, that students order Pack A which is our cheapest pack however pack B is overall a better option if possible as it covers all the basic materials they will need to make a good start to their coursework.

If there are any questions regarding the packs please do not hesitate to get in touch and we will be glad to help.

Yours Faithfully

Mrs Chacksfield

Head of Art
