

Whole School Literacy

C. Bergin

‘Literacy is fundamental for success in school and later life. Students who cannot read, write and communicate effectively are highly unlikely to access the challenging academic curriculum in secondary school and more likely to have poor educational outcomes across all subjects.’ (EEF Improving Literacy in Secondary Schools, 2019)

Word of the Week

causation (noun)

Definition: the action of causing something; the relationship between cause and effect

Synonyms: activation; awakening; draw; equal

Question: where do we see causation in History?

Week beginning 13th January

▶ The suffix - tion

▶ WORD ORIGIN

▶ a suffix occurring in words of Latin origin (given to us by the French), used to form abstract nouns from verbs or stems not identical with verbs, whether as expressing action (revolution; commendation), or a state (contrition; starvation) or associated meanings (relation; temptation).

▶ Find the 'tion' suffix in these words. Next, put the words into sentences (with your Talking Partner).

▶ •differentiation

▶ •instrumentation

▶ •dissatisfaction

▶ •experimentation

▶ •rationalisation

▶ •indemnification

▶ •hospitalisation

▶ •discontinuation
