

St Benedict's Catholic School

The Catholic Secondary School for West Suffolk

Physical Education Curriculum Guide

Students study Physical Education to gain knowledge and understanding of various sports and activities and provide an opportunity to develop their understanding of the importance of living an active healthy lifestyle. The variety of sports and activities covered in the curriculum will develop students respect for one another, teamwork, fairness, competitive nature and self-confidence at the same time as following the whole school Catholic ethos. Physical education will develop student's tactical mind as well as their health and fitness and inspire them to continue leading an active life after leaving school.

We have chosen to cover a variety of sports for each group so that our curriculum is enjoyable and engaging throughout the year. This is an overview of the sports that we wish to follow this academic year, however due to COVID restrictions the time of the year that these sports are covered may change. We endeavour to continue to offer a diverse PE curriculum.

At Key Stage 3 pupils have 4 lessons across a fortnight (2 lessons of each sport a fortnight) and at Key Stage 4 pupils receive 2 lessons across a fortnight. Year 7 lessons are taught in mixed gender groups and from year 8 upwards they are taught in single sex groups.

Year 7 – Skills and Knowledge

Half-Term	Sports covered
Autumn 1	Athletics and Health and Fitness
Autumn 2	Hockey and Football
Spring 1	Rugby and Basketball

Autumn 2	Girls: Netball & Football Boys: Football & Handball
Spring 1	Basketball & Rugby
Spring 2	Volleyball & Hockey
Summer 1	Study/Revision or Sport
Summer 2	Study/Revision or Sport

Assessment

In Key Stage 3 pupils are assessed in all sports covered throughout the year. We then use these to create our assessment point data throughout the year. In Key Stage 4 Core PE we only assess pupils using the 'St Benedict's Effort Levels'.

Extra and Super Curricular Opportunities

Throughout the year there is a variety of extra-curricular activities available through the Physical Education department. These clubs are held at lunchtime and after school and the school is fully involved in many competitions in a variety of sports against other schools. Please refer to the PE clubs list that is sent out each term throughout the year.
